GRAND KNIGHT'S MESSAGE:

“Do not conform yourselves to this age but be transformed by the renewal of your mind, that you may discern what is the will of God, what is good and pleasing and perfect” Romans 12:2

Dear Brother Knights,

He is risen! Happy Easter Season brothers! What a powerful and important time of year for us as Catholics. Some people overlook how important Easter is to our faith. I don't really need to preach to you, but I'll indulge. Without Jesus rising from the dead to fulfill prophecies he is merely just another prophet. Christmas would not have the meaning it does for us. Our faith truly comes together and takes form on Easter and all the days leading up to Pentecost. Watching the apostles not recognizing Jesus after he rose from the dead, to Jesus teaching them the scriptures, blessing them, and sending them out in to the world to teach the Word is amazing and inspiring. I struggle with following their lead, which I'm sure many do. I am fortunate to be in the position that I am and can teach the Word to others. It gives me great pleasure to help these people on their journey of/to faith. In the bible it tells us to “Be not afraid” 366 times. You have to be not afraid to speak the Word to others and bring the Holy Spirit into their lives. Ask yourself, are you not afraid?

I would like to thank all our brother Knights who attended the Men of Christ conference with me. 16 brothers got to enjoy the fiery talk given by Jessie Romero calling us to live our faith boldly, the informative talks given by Dr. Scott Hahn, and humorous talk about abstinence with Jason Evert. It was a fantastic line up and I look forward to seeing who will be there next year. Thank you everyone who helped with the Easter Egg Hunt. It was great time and the families really appreciate that we take the time to do this for the children. For next year we will be looking into a location other than Village Park. Village Park will be under renovation for improvements. After doing river clean up, we talked about Oakwood Park for the Easter Egg Hunt event for next year. On May 20th there will be a birthday party for Bill from the Hartfel house at our clubhouse. They will be celebrating his 60th birthday with live music and food. Please stop by to help him celebrate. The Knights of Columbus are family to these guys from the Hartfel house and it would bring them great joy to see us there even for a few minutes. The Duck Derby is coming up on May 27th. We need several volunteers to help with various aspects of the event.

In June we will be holding our officer elections. We have three positions to fill. We will need a trustee, warden, and recorder. You have to be a third degree member to become an officer. If you are interested, please contact me. I am also looking for someone to take over advertising for me. Advertising includes Facebook posts/events, emailing fliers to our local parishes and village centre, and periodical advisements. If you are interested, again please let me know. I hope you all had a blessed Easter and look forward to seeing you soon!

Vivat Jesus, Mike Elmer-Grand Knight

Knight of the Month: *Jim Waters*

Brother Jim Waters loves to share and live his faith. Since he converted to the Catholic faith, he has amassed a vast collection of books which he now has available at St. Mary's to borrow. Jim also leads men in a bible study group on Saturdays. He also is an usher, lecturer, and Eucharistic minister at St. Mary's. I'm sure there is much more he does for the parish. Thank you Jim for being a beacon of light spreading the fire of the holy spirit to those around us.

Family of the Month: *Mike and Michele Salomone*

Mike and Michele are very generous to others living their faith. Mike and Michele use their culinary skills to share meals with parishioners, clergy, and the Hartfel house. Mike caters a meal every week for a group of senior citizens. Michele is a lecturer and Eucharistic minister at St. Mary's. They also help with the weeding and yard care around our clubhouse. Thank you for all that you do for our parish, community, and council!

A Message from our Financial Secretary

Hello Members ,

I need your help and it is not heavy of a task. Could all members send me an update of your personal information? I know you say, "Hey, I've been living in this place for the last 5 years", but KC's did not get any update for the last 5 years. Telephone numbers - did you drop a home phone number? This is a big problem. This past year I found out that 3 of our members have died , 2 members have moved out of State and 5 members have moved. I really feel bad when I call about dues and I get told that a member has died; one person asked how long do they have to pay the dues....

I know everyone figures that someone will inform the Knights and I know everyone is very busy. This is a task that I would like the member do. Please show your wife , children and person that cares about you so they could let us know. We don't always find out.

Thank You,

Michael Bub-Financial Secretary , N74W13737 Appleton Ave #302, Menomonee Falls , WI 53051-4488, tele 262-251-5073

CORPORATION NOTES:

Dear Brother Knight,

The Board introduced you to the Corporation's Capitol Needs campaign in early 2016. I am pleased to report that numerous Brothers have committed to ongoing support. Their pledge donations are truly appreciated but we really need all of our members to respond. Presently twenty-five percent of our membership has responded. You don't have to be a math wizard to deduct that seventy-five percent of our membership have not responded. Now is the time to commit.

A committee, consisting of Brother Knights Dave Glisczinski, Tim Donlin, Jim Dwyer, George Schroder, Michael Krawczyk, and Mike Vosen were assigned to research the needs of the club house. These include new windows, doors, and siding, which will ensure that our building blends into the updated community that surrounds our neighborhood. Please take into account that these improvements are not merely a cosmetic wish but a need due to a rotting exterior. The updates will cost approximately \$ 70,000.00. We have secured almost \$ 50,000.00 and would very much like to complete the work this spring but need a financial commitment from our membership.

Thanks to those Brothers who have already provided support. As you can see we need more support to ensure our objective. Now is the time to send in your donations. A rendering of those plans are at the clubhouse for your review. You can also follow the progress of our campaign by reviewing the promotional thermometer now posted at the clubhouse. Let's get the mercury to rise.

Without the active participation of our membership these improvements cannot proceed without forcing the Corporation to seek securing a loan and creating a liability. We need your donations! Please consider what you can do to help.

Rick Plumley- Capital Needs Campaign Chair

Protecting Widows – A Founding Goal

As a member of this council, you know how important spouses can be to the charitable works of the Order. If you're married, your wife is probably involved in a few of the many events that happen each fraternal year. This support adds great value and impact to what a council can achieve.

When the Order was founded in 1882, Father Michael J. McGivney and the other brave men were setting out to protect Catholic families, but especially wives and children. Today, we remain committed to this mission by offering insurance products and fraternal benefits designed with that goal in mind. One specific policy rider that you may not know about is called Spousal Waiver of Premium. This rider is unique to the Knights of Columbus philosophy of helping our widows.

This rider is available on most permanent and Discoverer plans purchased at standard rates by a member and his wife on the same day. When both spouses apply, the rider provides for waiver of premiums on the spouse's contract in the event of the insured's death. Best of all, for members and spouses ages 18 to 60, this waiver can be added for no charge. The rider stays in effect until the spouse attains age 65 or certain other triggering events occur.

Our products are designed with your needs and budget in mind. With a solid portfolio of life insurance, long-term care, disability income and retirement products, the Knights of Columbus can help you meet all of your financial goals. To learn more about these solutions, contact me today.
